Corporate Brochure

# Honesberie Shooting School

Located on the Warwickshire, Oxfordshire and Northamptonshire border in 400 acres of farmland, Honesberie Shooting School offers a unique setting for a variety of corporate events.

With our stunning oak framed clubhouse, our activities range from simple conference room hire to team building, charity events and tailored shooting experiences for all your corporate needs and easily accessible by road, rail or helicopter!

# Clay Pigeon Shooting

All our corporate shooting experiences are tailored to each company's need. We cater for absolute beginners, who have never held a gun, to experienced shots. Our aim is to provide a safe and fun environment for people of all abilities. As part of a corporate day, depending on the size of the groups, we split up parties into smaller groups, each accompanied by one of our experienced instructors and taken around the grounds to shoot a variety of different targets. If you wanted to add a fun 'competitive element' to the day, you can also add a Flush option. This is a team event where four people shoot a flurry of clays simultaneously, the idea being it simulates an actual game shoot.

# Air Rifles

Our designated air rifle range allows budding sharpshooters to test their accuracy skills. Many corporate clients include the air rifles just in their packages to add variety. Again, a highly entertaining element can be added in the Sharpshooter Package, where a number of targets have to be shot against the clock with an extra bang included with exploding pods!

# Archery and Crossbow

Indulging the dreams of becoming the next Robin Hood! With our archery and crossbow option, guests get an opportunity to try something completely different and test their skill set again. Engaging old traditions in a modern setting adds yet more variety to a package, especially for larger events.

# Clubhouse & BBQ Hut

Our stunning oak framed clubhouse is a superb venue for corporate events. Not only do we have our separate conference room, but we can accommodate much larger conferences, allowing for full presentations in conjuncture with outside activities. Our clubhouse has a licensed bar and full entertainment license.

We also have our oak framed BBQ hut in the center of the shooting ground. With its own facilities and Wifi, it can be hired separately for team building – catered or self catered BBQs or set lunches and provides a novel and informal space to hold events. In the event of the British weather throwing its worst, it also has heaters and can be enclosed from the elements!
