

HONESBERIE SHOOTING SCHOOL

SHOOT, RALLY & FLY
DAY
SAT 29TH AUG 2020

HONESBERIE SHOOTING SCHOOL

Located on the Warwickshire, Oxfordshire and Northamptonshire border in 400 acres of farmland, Honesberie Shooting School offers a unique setting for a truly unique event.

Enjoy our beautiful shooting lodge and grounds to perfect your shooting or to learn a new skill all in the same day as thrashing a rally car around a track and learning how to handbrake turn!

CLAY PIGEON SHOOTING

All our shooting experiences are tailored to each person's needs. We cater for absolute beginners who have never held a gun, to experienced shots. Our aim is to provide a safe and fun environment for people of all abilities. As part of an experience day, each group of shooters is accompanied by one of our experienced instructors and taken around the grounds to shoot a variety of different targets. We have also added a fun 'competitive element' to the day, in the shape of a 60 bird flush shoot. This is a team event where the participants shoot a flurry of clays simultaneously for an action packed, adrenalin fuelled rush.

BILL GWYNNE RALLY SCHOOL

As the world's first professional rally driving school Bill Gwynne Rallyschool International has given great dirt-kicking rally driving experiences to tens of thousands of drivers for nearly forty years!

We've got the experience and expertise to help drivers meet the challenge of controlling a rally car on a loose surface rally stage and we make it fun! We'll make you smile, we'll make you sweat and we'll make you smile some more!

TURWESTON HELICOPTERS

A blue helicopter is shown in flight, viewed from a low angle. The main rotor blades are blurred, indicating motion. The helicopter is positioned on the right side of the frame, with its nose pointing towards the left. The background is a soft, out-of-focus sky with light clouds.

Turweston Helicopters is one of the UK's most respected helicopter organisations, operating from our office at Turweston Aerodrome in Northamptonshire. Turweston Helicopters have a wealth of knowledge in all aspects of helicopter operations from private charter to utility work.

Our highly qualified commercial pilots will guarantee a flight you will never forget! While on board your flight the pilot will be able to answer any questions and give you a brief description of the area you are flying over. There is no better way to experience glorious England than from the air.

PROPOSAL

SHOOT, RALLY AND FLY DAY

Shooting

There will be an instructor assigned to each group to take them through the targets and provide help and advice. Everyone will be assigned their own gun and PPE.

You will have 2 hours shooting across varied stands and an exhilarating 60 bird flush shoot, testing you shooting skills and teaching you new ones.

Driving

You will have a safety briefing in Turweston tower, get kitted up in gear then head onto the course. In the car our Motorsport UK licenced driving coach will use a range of techniques to help you learn how to balance the car with throttle and steering to achieve great power slides and perfect handbrake turns!

Flying

The Bell 206 Jetranger will carry 4 passengers at a time and take them on a flight up to 1000 feet above the beautiful British countryside! If you're going to travel, travel in style!

Please be aware that flying is subject to weather conditions and Turweston Helicopters will only fly passengers when it is safe to do so
