Corporate Introduction

We tailor every corporate shooting experience to meet each company's specific needs. Whether you're absolute beginners who have never held a gun or experienced shots, our aim is to provide a safe and fun environment for people of all abilities. Choose from our variety of corporate packages and menus ranging from one-course lunches to three-course fine dining. Or, simply get in touch and we'll put together a bespoke event to meet your needs.

HONESBERIE SHOOTING

Located in 400 acres of picturesque farmland on the border of Warwickshire, Oxfordshire and Northamptonshire, **Honesberie Shooting School** offers a unique setting for a variety of corporate events. With our stunning oak-framed clubhouse, our activities can range from simple conference room hire to team building, charity events and tailored shooting experiences for all your corporate needs. And what's more, we're easily accessible by road, rail and even helicopter!

CONFERENCE ROOM

Our private conference room comes fully-equipped with a projector, screen and conference phone, and can be hired on a half or full-day basis, seating up to 16 guests. We offer use of the boardroom with free tea and coffee, a varied lunch menu for you to choose from, as well as the option of bacon rolls/pastries on arrival (dietary requirements accounted for). Many clients incorporate both meetings and shooting, depending on their needs.

OPTIONAL EXTRAS

- Air rifles - an extensive selection of reactive targets ensures a welcome challenge for both new and experienced shooters alike.
- Crossbow & Archery - guests get an opportunity to try something completely different that tests a new set of skills.

Other bespoke activities and prizes available on request.

CHARITY & LARGER CORPORATE EVENTS

Our stunning oak-framed clubhouse is a superb venue for corporate events, with its own bar and full entertainment licence. Adjoining this is our beautiful marquee, which can seat up to 500 guests.

We also have an oak-framed lake hut in the centre of the shooting ground, which can be hired separately for team building, catered or self-catered BBQs, or set lunches for up to 20 guests.

Whether it's on-site or off-site activities you're looking for, we'll tailor the event to meet your exact requirements.

GAME DAYS

We've built excellent relationships with several shooting estates throughout the UK, and can organise a day of game shooting whether you're a full team, or an individual looking to join a team.

SIMULATED GAME DAYS

Our simulated game days offer a wide selection of targets at different speeds and angles, making them the ideal opportunity to warm up prior to the game season, or allow novices to experience the thrill of a game shooting day. They include a full day in the field managed by professional instructors, along with elevenses and dinner at one of our partner estates.

ENTERTAINMENT DAYS

A professional, mobile service that you can call upon to entertain clients and guests, wherever you're based within the UK. We're able to provide a range of activities including clay shooting, archery, crossbow and air rifles, with all equipment included, alongside professional instruction and guidance on the day itself.
