CLAY SHOOTING

We tailor every shooting experience to meet each customer's specific needs, whether you're an absolute beginner who has never held a gun, or an experienced shot. Our aim is to provide a safe and fun environment for people of all abilities.

Depending on the size of each booking, we divide parties into smaller groups, each accompanied by one of our experienced instructors.

AIR RIFLES

An extensive selection of reactive targets ensures a welcome challenge for both new and experienced shooters alike. They spin, buzz and flash once hit! With 10 lanes available, it's the ideal place to practise, have a family day out or a friendly competition.

We have a large choice of air rifles for sale in our gun room where you can also browse our air rifle accessories, from targets to pellets.

RIFLE RANGE

Our facilities offer customers the opportunity to test, zero and practice shoot, as well as teaching the essentials of rifle sport. Our rifle range is Home Office approved, giving members the opportunity to apply for their firearms certificate using Honesberie as their designated place to shoot, and offers targets at 50m, 100m and 200m, with shooters positioned under cover.

Take lessons to hone your skills or, if learning in a group of four or more, choose from our 25-shot, 50-shot or premium experience packages.

CROSSBOW & ARCHERY

With our crossbow and archery option, guests get an opportunity to try something completely different that tests a new set of skills. Engaging old traditions in a modern setting adds yet more variety to your package, especially for larger events.

CLAY SHOOTING LESSONS

At Honesberie we have a team of world class instructors with extensive knowledge and experience of clay pigeon shooting, rifle shooting and game shooting. Our owner and founder, Nick Hollick, has represented England and Great Britain in World and European Championships and is also available for tuition.

We run a variety of lessons for all abilities, from beginners to experienced shots. Our one-to-one tuition gives you undivided attention from your instructor, while group lessons are a highly enjoyable way for family, friends and colleagues to come together.

CLAY EXPERIENCES

These taster sessions offer an introduction to those who are new to the sport and want to have fun experiencing clay shooting, while also serving as the perfect party package.

The package will teach the basics of shooting including gun safety and etiquette. We offer a 25-shot experience and 50-shot experience. All equipment is included.

IN-FIELD INSTRUCTION

From beginners to experienced shots, in-field instruction is invaluable to put what you have learnt at the clay ground into practice in a live environment.

An instructor will accompany you, advising on every drive and ensuring you get maximum satisfaction from your day. We are happy to pick you up from your house, so you don't have to worry about travelling or using your own vehicle. For further details, please contact a member of the team.

SELF-CADDY

Book some time to practise your shooting with our self-caddy option, experiencing our stunning grounds without the need for an instructor present.

- Bring your shotgun licence with you
- Licence holders can accompany non-licence holders on-site
- Licence holders will need to sign a disclaimer to say they are responsible for non-licence holders
- Non-licence holders must be chaperoned at all times
- You must use our cartridges whilst shooting on the ground due to noise restrictions
- All self-caddy bookings must be made in advance – see our opening times for details

HEN & STAG PARTIES

Our team at Honesberie Events will manage your hen or stag do from start to finish, whether you're looking for a classy day out or an action-packed experience.

We offer several packages as standard that give you a wide variety of choice to suit your needs, which all include plenty of activities, prizes for the best shots, access to our fully licensed bar and much more.
